## ABOUT YOUR THRIVENT MUTUAL FUNDS QUARTERLY STATEMENT

- ⌚ Beginning September 30, 2017, quarterly statements will only be generated for accounts that had activity during the previous quarter.

If an account did not have activity during the previous quarter, a quarterly statement will *not* be generated. Annual statements will continue to be generated, regardless of activity.

This change will reduce waste and shareholder expense.

**Account documents and account history may be viewed online anytime at [www.thrivent.com](http://www.thrivent.com).**
