Disclosures

Section 3 - Cost Basis Override for Transaction Source Account

Complete for IRS Form 1099-B reportable accounts. Does not apply to retirement accounts, money market accounts or Coverdell Education Savings Accounts.

The cost basis method currently listed on your account(s) will be used for these transaction(s). If you'd like a different cost basis method for these transaction(s) **only**, complete the chart in Section 3 on page 1.

This cost basis method override will not change the method on your account(s).

You cannot change the cost basis method used after the transfer of shares has been processed.

If you are currently using the Average Cost method on your accounts or want to use the Average Cost method, you must change your election in writing prior to completing a transfer. You cannot change your Average Cost method at the transaction level.

The current cost basis method on your account can be found by contacting the Mutual Fund Customer Interaction Center or online at Thrivent.com or ThriventFunds.com.

Section 6 - New Account Cost Basis Election for Covered Shares

Cost basis information will be provided to you and the Internal Revenue Service (IRS) for covered shares purchased on or after January 1, 2012 in 1099-B reportable accounts. Cost basis does not apply to retirement accounts or the Thrivent Money Market Fund. Indicate below the method you would like to use to track cost basis on your account(s).

You are allowed to override your election for a specific financial transaction and use a different cost basis method including Specific Identification unless you have elected Average Cost.

If you choose a method other than Average Cost and have noncovered shares purchased prior to January 1, 2012, Thrivent Mutual Funds may provide average cost information to you for the noncovered shares, if available. Use the Special Instructions section to request Average Cost on your noncovered shares.

Account Options Instructions

I authorize Thrivent Mutual Funds to act upon my instructions for any option(s) I have checked on this form. I understand that all features may be terminated by me or Thrivent Investment Management Inc. at any time.

Terms and Conditions

A new account number will be assigned for all transfer of ownership requests except for changes to a custodian, responsible individual, guardian, or conservator account.

Additional documents/forms may be required with this request.

Customer Identification Rules

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account or apply for a variable product, we will ask for your name, address, date of birth, and other information that will be used to identify you. This information may be compared with information obtained from a consumer reporting agency, public database, or other source. My broker-dealer may also ask to see your driver's license and other identifying documents.

To comply with the Customer Identification Program (CIP), the name, address, Social Security or Tax Identification number, and date of birth are required for all account owners including information for at least one authorized person if applicable.

Section 9 - Agreements and Signatures

The signature of all registered shareholder(s) is required exactly as listed on the account statement. If you are changing your legal name, sign both your former and present name.

If signing as an officer of an organization or corporation, a trustee or other fiduciary relationship, indicate title.

If you have any questions, contact your representative or call our toll free number 800-847-4836.

Signature and Certification

I authorize my broker-dealer to accept and act upon telephone instructions from me for the initial investment or exchange of shares between one or more of the Thrivent Mutual Funds having identical registrations. I understand and agree that neither my broker-dealer, Thrivent Financial Investor Services and/or its agents, nor any Fund will be liable for any loss, expense, or cost arising out of any telephone request effective hereunder. In addition, my signature authorizes the approval of any or all sections completed.

I have received and reviewed a current prospectus for Thrivent Mutual Funds and understand the investment objectives and potential risks. When shares are redeemed, they may be worth more or less than what was paid for them. I understand there may be an initial or contingent deferred sales charge as explained in the prospectus and for this and other reasons, an investment should be made for the long term. Shares will not be purchased until the day this request is received in good order by Thrivent Mutual Funds.

Disclosure Document Received

If the account is any type of IRA, 403(b) or Coverdell Education Savings Account (CESA), I have read and understand the corresponding Custodial Agreement and Disclosure Statement.

Authorization and Agreement for IRA, 403(b) and Coverdell Education Savings Account

If I am opening any type of IRA, 403(b) or CESA, I authorize Thrivent Trust Company to act as custodian and will hold the custodian harmless for all necessary actions taken by the custodian when authorized by the plan documents and beneficiary designation. By establishing your IRA, 403(b) or CESA, Thrivent Trust Company accepts appointment as custodian in accordance with the terms and conditions of the Custodial Agreement.

W-9 Taxpayer Identification Number Certification

Under penalties of perjury, I certify that:

- The Social Security number provided is my correct taxpayer identification number.
- I am not subject to backup withholding because I am exempt from backup withholding, I have not been notified that I am subject to backup withholding as a result of a failure to report all interest or dividends, or the Internal Revenue Service has notified me that I am no longer subject to backup withholding (if item 2 applies, strike out).
- I am a U.S. person (including a U.S. resident alien). If you are not a U.S. citizen, attach IRS W-8BEN form.

The Internal Revenue Service does not require your consent to any provision of this document other than the certification required to avoid backup withholding.

Cost Basis Election

I understand that:

- Thrivent Mutual Funds will use my election to calculate cost basis for the covered shares held in the account(s) and any future accounts established as a result of an exchange of mutual funds shares. I am responsible for any adjustments to the cost basis information that may apply due to activity occurring in a different account that holds shares of the same fund. If no election was indicated, the Average Cost method will be used.
- Unless the Average Cost method is used, I can use the Specific Identification method for any redemption of covered shares by providing information about the shares to be redeemed at the time of the redemption request.
- I can change this election at any time for covered shares that have not been redeemed, exchanged or transferred from the account(s). If I have elected Average Cost (as opposed to being defaulted to Average Cost), I understand I have the right to revoke this election up until the time of the first redemption, exchange or transfer of covered shares from the account(s). If I change the average cost designation (whether elected or defaulted to) after covered shares have been redeemed, exchanged or transferred from the account(s), I understand that the cost basis of all covered shares in the account(s) at the time of the change will be the current average cost of those shares.
- I am required to use the cost basis information provided on Proceeds from Broker and Barter Exchange (IRS Form 1099-B) for covered shares as a result of this election for tax purposes. Information received on noncovered shares is informational only and is not required to be used for tax purposes. Average cost basis on noncovered shares will not be provided to the IRS by Thrivent Mutual Funds.
- Thrivent Mutual Funds will use my election. Thrivent Mutual Funds and its affiliates do not provide tax advice.
